

2011 marks the 32nd year that Sankey Rodeo Company of Joliet Montana has produced Professional Rodeos. In those years the Sankey's have become the Nation's premier rodeo family.

Ike began the rodeo legacy by qualifying for the National Finals Rodeo in both the Bareback and Saddle Bronc events. After that they produced nearly 1000 performances of the Cody Nite Rodeo in Cody Wyoming. They now contract some of the largest and best rodeos in the United States.

Wife, Roberta is a WNFR Timer, Daughter, Ryan is the music technician and Son Wade owns the next generation rodeo company called "New West Rodeo Productions." They all work together with our top notch staff to give our rodeo fans great entertainment.

The foundation of their business is the bucking horses. All of the horses you see today were raised on the Sankey Ranch. They have won countless awards including the PRCA's highest honor, Saddle Bronc of the Year on four occasions. The Sankey's send livestock to the prestigious National Finals Rodeo in Las Vegas every year. 2011 will feature outstanding bulls from the PBR's stock contractor of the year, Jeff Robinson.

Sankey Rodeo is perhaps best known for their expertise in Rodeo Production. Ike Sankey has been nominated for Stock Contractor of the year twelve times, and is the current holder of the WPR Stock Contractor of the Year Award. A Sankey Production is always fast, fun, family entertainment. We are excited to be a part of this Professional rodeo and hope you enjoy what we have to offer.
